### 7<sup>th</sup> & 8<sup>th</sup> May 2023

#### INTERNATIONAL

##### 1) Bastille Day Parade

- The Ministry of External Affairs announced that French President Emmanuel Macron had extended an invitation to Prime Minister Narendra Modi to be the Guest of Honour at the Bastille Day Parade in Paris on July 14, and that Mr. Modi had accepted.
- According to an official press release, a contingent from the Indian armed forces will also take part in the parade, which celebrates “liberty, equality and fraternity”.

#### NATIONAL

##### 1) ‘Climate Club,’

- India is reportedly considering joining the ‘Climate Club,’ an environmental initiative started by the G7 to promote stronger climate action.
- The club’s three pillars are advancing ambitious and transparent climate policies, supporting substantial industrial decarbonisation, and encouraging international cooperation towards a just transition.
- According to reports, the Indian environment ministry is expected to initiate inter-ministerial discussions soon to consult different ministries on the sectoral implications of joining the Climate Club. The move comes as India faces increasing pressure to ramp up its climate efforts to meet global climate goals.

### IMPORTANT DAYS

#### 1) World Red Cross and Red Crescent Day

- World Red Cross and Red Crescent Day is celebrated annually on May 8th to honor the birth anniversary of Henry Dunant, who founded the International Committee of the Red Cross (ICRC) and was the first person to be awarded the Nobel Peace Prize.
- The Red Cross and Red Crescent Movement is a worldwide humanitarian network that operates in almost every country across the globe. The network offers aid and support to people in need during various emergencies, conflicts, disasters, and other crises.
- The movement strives to alleviate human suffering, safeguard human dignity, and promote health, peace, and overall well-being. The theme of World Red Cross Day for 2023 is "Everything we do comes from the heart".

#### 2) World Thalassaemia Day

- On May 8 marks World Thalassaemia Day, which is a special day dedicated to raising awareness about a genetic disorder called Thalassaemia.
- This disorder causes the body to produce insufficient amounts of haemoglobin, which is essential for carrying oxygen in the blood. Individuals with Thalassaemia inherit this condition, and it results in reduced levels of oxygen-carrying proteins in their blood.
- The aim of World Thalassaemia Day is to increase understanding and knowledge about this blood disorder and show support for those who live with it.
- The theme for this year's International Thalassaemia Day is "Strengthening Education to Bridge the Thalassaemia Care Gap".
