2) World Day of Social Justice

- World Day of Social Justice is observed annually on February 20. The main goal of this day is to raise a voice against social injustice and to bring together diverse communities around the world in an effort to eradicate poverty, physical discrimination, gender inequalities, religious discrimination and illiteracy, and create a society that is socially integrated.
- The day is an opportunity for individuals, organizations, and governments to reflect on the progress made towards achieving social justice, as well as identify areas where more work is needed.

3) India celebrates Soil Health Card Day

- India celebrates Soil Health Card Day on February 19 every year to remember the beginning of the Soil Health Card (SHC) Scheme and to raise awareness of its advantages.
