10th March 2023

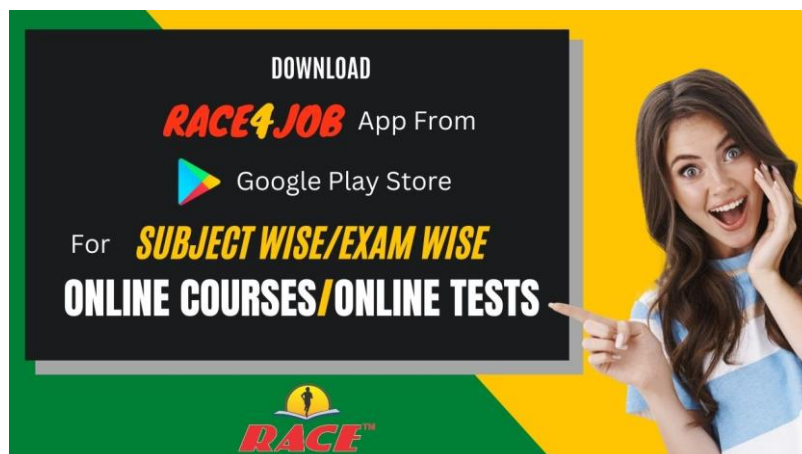

INTERNATIONAL

1) Xi Jinping began an unprecedented third term as China's president

- Xi Jinping began an unprecedented third term as China's president after he was endorsed by a unanimous vote from the 2,977-member National People's Congress (NPC).
- Xi will head a hand-picked party and government team tasked with steering the world's second-largest economy through challenges at home and abroad over the next five years.

2) "Sustainable forest city"

- Indonesia is all set to move its capital from Jakarta to Borneo over environmental issues such as being congested, sinking into seawater, and being prone to earthquakes. Officials said the new metropolis city will be a "sustainable forest city," that puts the environment at the heart of the development and will be carbon neutral by 2045.
- Indonesian President Joko Widodo envisions the construction of the new capital as a "nostrum for the problems in Jakarta, which will also allow the country to start afresh".

3) United States and India

- The United States and India will sign a memorandum of understanding on semiconductors as both countries discuss coordination of investment and continue dialogue around policies to spur private investment, U.S. Commerce Secretary Gina Raimondo said.
- The dialogue comes close on the heels of the launch of the inauguration of the initiative on Critical and Emerging Technology (iCET).
