ENEC and NPCIL Sign Agreement for Nuclear Cooperation

- The Emirates Nuclear Energy Corporation (ENEC) and Nuclear Power Corporation of India Limited (NPCIL) have signed a landmark agreement to enhance collaboration in various fields. The agreement was formalized in New Delhi, marking the first nuclear sector cooperation between the UAE and India.

Key Points:

- Entities Involved: ENEC (UAE) and NPCIL (India).
- Areas of Cooperation:
 - Supply chain development.
 - Human resource development.
 - Nuclear consultancy services.
- Significance: This is the first agreement between the UAE and India in the nuclear energy sector.

ENEC:

- Established: 2009.
- Headquarters: Abu Dhabi, United Arab Emirates (UAE).
- Key Project: The Barakah Nuclear Power Plant, located in the Al Dhafra region of Abu Dhabi, is the flagship project of ENEC. It is the first nuclear power plant in the Arab world.
- The Barakah plant has four reactors with a total capacity of 5,600 megawatts (MW), enough to supply up to 25% of the UAE's electricity needs.

Q. Which organization from India signed the nuclear cooperation agreement with Emirates Nuclear Energy Corporation (ENEC)? **Nuclear Power Corporation of India Limited (NPCIL).**

Former Peruvian President Alberto Fujimori dies at 86

- Former Peruvian President Alberto Fujimori passed away at age 86.
- **Background:** He was the son of Japanese immigrants and a university chancellor before becoming president in 1990.
- **Economic Reforms:** He combated hyperinflation, privatized state companies, and promoted free-market reforms.
- **Controversies:** Seen as an autocrat for shutting down Congress in 1992, redrafting the constitution, and enacting strict anti-terrorism laws.
- **Exile and Arrest:** Fled to Japan in 2000, but was arrested in Chile in 2005, extradited, and jailed in 2009 for human rights abuses.

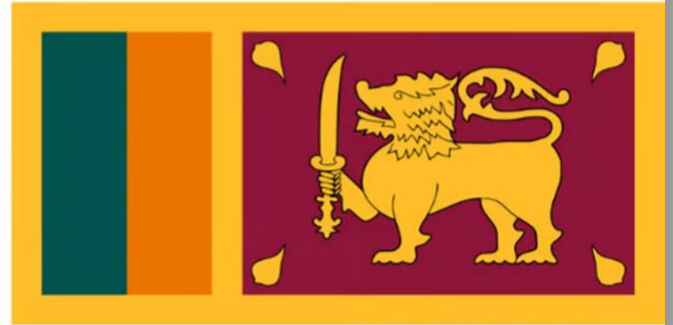

Peru

- Capital: Lima
- Official languages: Spanish
- President: Dina Boluarte
- Prime Minister: Gustavo Adrianzén
- Currency: Peruvian sol

Q. What was Alberto Fujimori's major economic achievement as president of Peru? **By controlling hyperinflation, privatizing state-owned companies, and implementing free-market reforms.**

ADB approves 100 million USD loan to Sri Lanka

- The Asian Development Bank (ADB) approved a \$100 million policy-based loan to support reforms in Sri Lanka's water supply and sanitation sector.

Programme Structure

- **Subprogramme 1:** Focuses on establishing national policies and strategies, including reforms for the National Water Supply and Drainage Board.
- **Subprogramme 2:** Aims at implementing reform actions and guidelines to improve water services.

Challenges Addressed

- Water resource allocation issues, lack of climate change planning, fragmented governance, and environmental degradation affecting water supply are key concerns the programme seeks to resolve.

Background

- The Asian Development Bank (ADB) has been a significant supporter of Sri Lanka, especially during its economic crisis.
- In 2023, ADB provided \$908 million in disbursements and committed \$610 million in loans for key reforms and infrastructure projects.

Q. What recent loan did the Asian Development Bank (ADB) approve for Sri Lanka's water sector? **A \$100 million policy-based loan**

Union Cabinet approves 'Mission Mausam' to tackle extreme weather events, climate change impacts

- The Union Cabinet approved 'Mission Mausam' to enhance India's capabilities in weather and climate science, helping various stakeholders, including citizens, handle extreme weather events and climate change impacts more effectively.
- Financial Outlay: The programme has a budget of Rs 2,000 crore over two years and will be implemented by the Ministry of Earth Sciences.

Key Focus Areas

- Weather Surveillance and Forecasting: Advancing capabilities in weather prediction through improved modelling and management systems.
- Technological Integration: Utilizing advanced observation systems, AI, machine learning, and high-performance computing for precision forecasting.
- Observation and Climate Understanding: Providing highly accurate weather information, such as monsoon forecasts, air quality alerts, and extreme weather warnings (cyclones, fog, hail, etc.).
- Weather Interventions: Supporting interventions for managing adverse weather conditions.

Q. Which ministry will implement Mission Mausam in India?
Ministry of Earth Sciences

Sitaram Yechury, CPI(M) general secretary, passes away

- Former Rajya Sabha MP and CPI(M) general secretary Sitaram Yechury has passed away at the age of 72 following a prolonged illness.
- **Leadership Role:** Yechury succeeded Prakash Karat as the general secretary of the CPI(M) in 2015.
- **Political Mentorship:** He was mentored by late party leader Harkishan Singh Surjeet, who played significant roles in the coalition era, supporting the National Front government of V.P. Singh and the United Front government of 1996-97 from outside.
- **Influence and Strategy:** Yechury further developed his political skills during the Left parties' support of the first UPA government, often exerting pressure on the Congress-led regime.
- **Critical Negotiations:** He was instrumental in the negotiations surrounding the Indo-US nuclear deal, which led to the Left parties withdrawing support from the UPA-I government due to disagreements with Karat's stance.

CPI(M) Party Background:

- The Communist Party of India (Marxist) or CPI(M) is a major leftist party in India, founded in 1964 after splitting from the CPI.

Q. Who was the general secretary of CPI(M) before Sitaram Yechury? **Prakash Karat**

Friday, 13 September 2024
